Dear Sir:

**INTRODUCTORY COMMENTS**

This is a resubmission of an Amendment Response and Correction filed December 4, 2007 which was in response to the Office Action dated June 4, 2007 in the above-identified application in which all elected claims (51-53 and 71-83) stand objected to and/or rejected under one or more of 35 U.S.C. §112 (second paragraph); 102(a), 102(b), and/or 102(e). The designation of claim 54 has been corrected to designate that it is “Withdrawn; Currently Amended” and claims 55-57 as “Withdrawn” as stated in the US Patent and Trademark Office Communication dated March 18, 2008. Reconsideration and allowance of the claims is solicited in light of the following amendments and remarks.
